

# Pedigree Cross-Index

## WHAT IS A PEDIGREE CROSS-INDEX?

This cross-index has been prepared to aid breeders with the task of researching stallion pedigrees for either inbreeding or outcrossing. Indexed are the names of horses and mares included within the first four generations of each stallion that appears in the advertising section of the Stallion Directory.

## HOW DO YOU USE A PEDIGREE CROSS-INDEX?

### Example:

**A.P. Indy** – Indy Film (on the pedigree page of Indy Film, A.P. Indy appears in one of the first four generations).
