current status of online gaming, including poker, and the push to legalize it at the state level.

Witnesses at the hearing were by invitation only and included: John Pappas, Executive Director, Poker Players Alliance; Andrew Abboud, Vice President of Government Relations and Community Development, Las Vegas Sands Corporation; Geoff Freeman, President and Chief Executive Officer, American Gaming Association; Les Bernal, National Director, Stop Predatory Gambling; Kurt Eggert, Professor of Law, Dale E. Several online gaming bills have been introduced in this Congress, including those to license, regulate and tax the activity. However, the NTRA Legislative team does not expect any immediate action by Congress on this issue.—[NTRA](#)

## CHRB Elects Officers For 2014

California's seven racing commissioners voted unanimously Thursday for Commissioner Charles "Chuck" Winner to serve as Chairman of the California Horse Racing Board (CHRB) beginning January 6, 2014, the date that current Chairman David Israel's final term will expire.

The commissioners also elected Commissioner Bo Derek to serve as 1st vice chair and Commissioner Richard Rosenberg to serve as 2nd vice chair.

Chair Elect Winner presented Chairman Israel with a framed gavel

on behalf of their fellow commissioners and thanked him for his years of service on the board, especially for his tireless efforts this last year as chairman, indicating that "everybody who has anything to do with horse racing owes you a debt of gratitude."

Chairman Israel was appointed to the CHRB in July 2008 and reappointed in March 2010, marking 5 1/2 years of service. His parting advice to his colleagues and the industry was to "keep the sport clean and safe and it will find its audience."—[http://www.chrb.ca.gov/press\\_releases/2013\\_12\\_12\\_press\\_release.pdf](http://www.chrb.ca.gov/press_releases/2013_12_12_press_release.pdf), continued at [www.chrb.ca.gov](http://www.chrb.ca.gov)

## NorCal Racing Dates Approved

After months of discussion, the racing date calendar for Northern California for 2014 was approved December 12 by the California Horse Racing Board (CHRB).

In an unusual move, the board approved the dates with a contin-

gency that California State Fair and Exposition, or Cal Expo, receive a three-week block of dates for 2015, though the dates were not specified. Cal Expo, located in Sacramento, will race two weeks in 2014.—continued at [www.BloodHorse.com](http://www.BloodHorse.com), By Jack Shinar

### Jockey Club Registration Due December 31

The Jockey Club reminds owners of unregistered yearlings and two-year-olds that the requirements for foal registration must be completed by December 31, 2013, to avoid additional late registration fees.

The late registration fee increases from \$550 to \$800 after December 31 of the yearling year and from \$800 to \$2,025 after December 31 of the two-year-old year.

Interactive Registration™ is the most efficient means to complete the Application for Foal Registration and other registration requirements. Interactive Registration enables customers to check the status of their applications and, through the Registration Center, view and resolve outstanding conditions of registration. —continued at <https://www.registry.jockeyclub.com>

### The Thoroughbred Aftercare Alliance Accredits 23 Facilities

The Thoroughbred Aftercare Alliance (TAA) has announced that 23 accredited facilities are now eligible to receive financial grants from the organization for the ongoing care of retired Thoroughbreds following the addition of 20 new facilities.

The new facilities, which represent a cross-section of rescue, retirement, retraining, and adoption programs in the U.S. and Canada, join the first three accredited facilities—Florida Thoroughbred Retirement and Adoptive Care, New Vocations and Southern California Thoroughbred Rescue.

Following a detailed application process and careful onsite examinations by TAA inspectors and independent veterinarians, each facility was judged to have met or exceeded the TAA Code of Standards in the areas of operations, education, horse care management, facility standards and services, and adoption policies and protocols, the TAA said in a release. —continued at
