The statistics contained in these rankings are compiled by The Jockey Club Information Systems Inc. (TJCIS). While every effort is made to prevent errors and omissions, California Thoroughbred cannot guarantee their complete and total accuracy. A dagger (†) indicates that a stallion has been pensioned, an asterisk (\*) that he has died, a dot (•) that he is now standing elsewhere, a number sign (#) that he did not stand in California in 2013 but is standing in the state in 2014, a double dagger (§) that he is not standing in California in 2014 but will stand in the state in 2015 and in **bold** that he is a freshman sire. In all cases, a sire will remain in the rankings until the year after his last California foals are two-year-olds. Statistics cover racing in North America (U.S., Canada and Puerto Rico), England, France, Germany, Hong Kong, Ireland, Italy, Japan, Mexico, Saudi Arabia and the United Arab Emirates only.

## State Equine Statute Directory Published

Landowner liability—and the understanding of it—can be a critical factor in horse access to property. Liability is determined on a state-by-state basis and in most states is governed by two sets of laws: activity statutes and recreational use statutes.

In the past, this information has been hard to gather and difficult to interpret. The Equine Land Conservation Resource (ELCR) recognized a need to clarify the process and assembled an in-depth resource showing both sets of laws for each state. The "Directory of Equine Activity and Recreational Use Statutes" provides a single source to view and compare the statutes by state, and is available [online](http://online). The ELCR and other organizations had gathered this information before, but as the laws changed, the documents quickly became outdated.

Because this site provides live links to the statutes themselves, the information will remain dynamic and up-to-date. In addition to the live links, the directory provides a small amount of analysis. Details are provided by state, including whether or not charging a nominal fee will impact a landowner's liability and whether specific language is required on signage.

## Saddle Fit Can Be A Problem For Racehorses

Both sport and pleasure riders know how important saddle fit is to keeping their mounts healthy and comfortable. But what effects could considerably smaller and lighter racing saddles have on horses that are traveling considerably faster than the average reiner or jumper? Turns out these tiny pieces of tack can have a substantial impact.

In a recent study, researchers from the University of Zurich, in Switzerland, placed sensor pads under saddles worn by five racing-fit Thoroughbreds between two and six years old. Then, riders rode the horses at a canter and a gallop; the researchers collected pressure measurements at various places on the horses' backs and spines.—[continued at www.BloodHorse.com, By Natalie Voss](#)

## Send Photos Of 2014 Foals

Through the August 2014 issue of *California Thoroughbred*, the official publication of the California Thoroughbred Breeders Association (CTBA), this year's crop of Thoroughbreds foaled in the Golden State will again be spotlighted in each monthly magazine with advertorials featuring six to eight photos of foals per page.

The cost to publish individual photos is \$75 each, while a full page insertion will be discounted down to \$500. Photos need to be submitted by the following Monday deadlines; March 3 (April issue); April 7 (May issue); May 5 (June issue); June 2 (July issue); and July 7 (August issue).

For additional information, please contact the magazine's Advertising Manager, Loretta Veiga, at [\(626\) 445-7800](mailto:Loretta@ctba.com), extension 227, or its Managing Editor, Rudi Groothedde, at [\(626\) 445-7800](mailto:rudi@ctba.com), extension 226.

The March 2014 issue of *California Thoroughbred*, the official publication of the California Thoroughbred Breeders Association (CTBA), is on the verge of being completed and is scheduled to be mailed out to its subscribers and the CTBA membership next week. Featured as this edition's cover story is a 14-page section dedicated to the 2013 California-bred champions who were honored during the CTBA's Annual Awards Dinner at The Claremont Hotel Club & Spa in Berkeley on February 10.

Besides these articles, featuring the Champion Older Male, Sprinter and Horse of the Year, Points Offthebench, as well as Tiz Flirtatious (Champion Older Female and Turf Horse), Gervinho (Champion Three-Year-Old Male), Doinghardtimeagain (Champion Three-Year-Old Female), Tamarando (Champion Two-Year-Old Male) and Swiss Lake Yodeler (Champion Two-Year-Old Female), the latest magazine also includes many other feature stories of interest, such as: an In Memoriam tribute to Cal-bred General Challenge, the two-time California champion, three-time grade I winner and \$2,877,178-earner who passed away at the age of 18 on February 4; a 10-page section of editorials on Sunshine Millions/California Cup that was held at Santa Anita Park on January 29, when the day's stakes races worth more than \$950,000 were won by Cal-breds Weewinnin (California Cup Turf Classic Stakes), California Chrome (California Cup Derby), Susans Express (California Cup Oaks) and Big Macher (California Cup Sprint Stakes) and California-sired Ciao Bella Luna (Sunshine Millions Filly and Mare Turf Sprint Stakes); a CTBA Member Profile on trainer Art Sherman, who has had success with such Cal-breds as the grade I-winning California champion Ultra Blend and current sophomore sensation California Chrome since he joined the association in 1984; both a preview and a review of Barretts Sales & Racing's 25th Anniversary March Select Sale of Two-Year-Olds in Training, being held in the Hinds Pavilion at Fairplex on Monday, March 3, and January Mixed Sale, respectively; a wrap-up of the win by Cal-bred Tamarando in the grade III, \$200,000 El Camino Real Derby at Golden Gate Fields on February 15; reviews of the respective wins at Santa Anita by the Cal-bred duo of Lakerville and Red Outlaw in the January 26 Cocker's Corner Stakes worth \$92,200 and February 16 Baffle Stakes worth \$97,450; a Down On The Farm article that provides information on dealing with twins; the annual California Statistical Review, detailing those breeders, stallions and Cal-breds who enjoyed stakes success in 2013; a Guest Forum piece on McCann's Mojave, a grade II winner and earner of more than \$1.5 million who unexpectedly died in October of last year just as he was enjoying a promising start to his stud career; and all the many other interesting and informative features, departments and columns that this publication's loyal readers look forward to every month.

So now is the time to secure valuable advertising space in the April 2014 copy of *California Thoroughbred*, the monthly publication that remains the best medium for marketing Thoroughbred stallions, farms and businesses in the Golden State.
