CTBA PRESIDENT

## THE FUTURE OF CALIFORNIA SALES

There have been concerns regarding Barretts and the future of sales in California. Be assured that the CTBA is working with Barretts, the L.A. County Fair, and several other interested parties to assure continuing sales in California. There will be no changes during 2018. The Del Mar Paddock Sale, Yearling Sale, NorCal Yearling & Horses of Racing Age Sale, and the October Mixed Sale will

be held and conducted as scheduled. There will continue to be yearling, horses of racing age, and mixed sales in California, as there is strong interest from existing and other sales companies. We know how critical sales are to all of us as breeders, and CTBA will ensure that our market will continue into future years.

If you have questions, please feel free to call our office at (800) 573-2822.
